BUILDS 30 KILOMETERS OF RAILROADS -- Belgrade, Borba, 19 Sep 50

Zavidovici, 18 September -- Several forest railroads and truck roads were built in 1949 in the "Krivaja" Lumber Enterprise area in Zavidovici in Bosnia-Herzegovina. This year the lumber enterprise is building 30 kilometers of new railroads in its forest area. Old truck roads totaling 22 kilometers are being broadened.

A 17-kilometer forest railroad is currently under construction in the Olovo area; 9 kilometers of this railroad were completed in 1949. The entire railroad is scheduled to be completed by 29 November 1950. Several bridges totaling 1,400 meters in length will be built on the line. A 4,300-meter forest railroad is also being built in the Olovo forest area. Thus far, 2,400 meters of this track have been completed. A 4,800-meter forest railroad will be completed in the Maoce forest area on 1 October.

CONSTRUCT NEW RAIL LINES -- Belgrade, Borba, 21 Sep 50

Osijek, 20 September -- Construction of an 8.5-kilometer narrow-gauge railroad line began recently on the Belje state farm. A 3-kilometer branch of the line is being built between Jasenovac and Knezevi Vinogradi (Knezevi Vineyards), where it will connect with a standard-gauge railroad. The narrow-gauge railroad will be open to traffic on 1 October 1950. The Ceminac-Milina-Greda-Jirod-Jagodnjak line will be completed by the beginning of November 1950.

FOREST ROAD TO BE OPENED -- Belgrade, Borba, 25 Sep 50

Ljubljana, 24 September -- The 8-kilometer Bohinj-Jelovica forest road will be opened to traffic on 25 September 1950.
